LIGHT UP YOUR WORLD

RANDON®

LED Lights

LIGHT UP YOUR WORLD

Randon Industries Pvt. Ltd., established in 2018, specializes in energy-efficient and eco-friendly LED lighting solutions. As a leading manufacturer of consumer electrical products, we offer a diverse range of lighting options, including architectural, domestic, outdoor, and indoor lights, all compliant with international standards. Our team of experienced professionals is committed to delivering top-notch service and innovative designs using cutting-edge technology. With modern machinery and deep expertise, we ensure our lighting products meet various customer expectations while providing exceptional longevity. Recognized as a top emerging lighting company, Randon Lights focuses on flexibility and affordability, positioning itself as a preferred brand in the market for quality and performance.

Why Choose Randon Lights?

Trendy and Stylish Solutions

We offer a diverse range of indoor and outdoor lighting products that seamlessly blend brightness with aesthetic charm. Whether you're looking to enhance your home, office, or outdoor spaces, our designs cater to various tastes and preferences.

Reliability and Durability

Our lighting solutions are crafted with the utmost attention to quality, ensuring they are not only visually appealing but also reliable and long-lasting. You can trust Randon Lights to deliver exceptional performance day after day.

Cost-Effective Lighting

In addition to their durability, our products are designed with efficiency in mind, providing you with an economical solution that helps to reduce energy consumption without sacrificing brightness or style.
